New Categories Criteria

The criteria for the new categories are:

- **Best Short Film Created by Teachers:** Please note this is not open to the wider whanau it is an opportunity for teachers to create their own cinematic masterpiece to be shown at the Nati Awards. Criteria is the same as students entries for Short Film. This category does not go towards overall aggregate.
- **Best ICT Expo Site:** Please note this is a Supreme Award and will be worth \$500 in prize money (As a Supreme Award it does not go towards overall aggregate prize). Judges will select the best ICT Expo site created by a school based on the following 4 components:
 - Visual Appeal
 - Interactive
 - Range of ICT/e-Learning
 - Science
- **Best Script:** Judges will select the Best Script for a **Short Film** created by students from the entries submitted in the Junior & Senior Sections.

RULES FOR SCRIPT

- Create a Script based on **Nati Putaiao - Nati Science**
- Scripts must be for a short film in Te Reo or English.
- Scripts must follow script formatting guidelines. See websites below ie. Scriptarama, Huia, Celx.com etc for examples.
- The submitted scripts can be
 - the shooting scripts (before the film is made)
 - the transcripts (after the film is made)

Entry Release Statements

Over the past four years (2004-2007) the Te Rangitawaea Festival committee has collated digital media entries (films, animations etc) submitted to the Nati Awards competition. Recently many of these entries have been archived and with the permission of the schools this media is now in a position to be used for promotional (secure funding for ongoing Te Rangitawaea Festivals) and educational purposes. In order to gain permission your school will need to sign the release form below. Please read and sign the form if you would like your school's entries to be made available for reproduction or public viewing, including the Te Rangitawaea website, by the Festival organisers.
